## de ploeg: MONZA-MULTI

### Description

A high-quality bouclé upholstery fabric with a soft, wool-like handle, developed as the successor to Monza. Its character comes from multi-coloured bouclé yarns, which create a subtle, textured surface with visual depth. The palette is broad and versatile, offering a mix of contemporary and classic shades that work easily across a range of interiors. The composition blends different fibres, with wool giving the fabric its distinctive look and texture. Both bold and neutral tones are enhanced by the richness of the bouclé construction.

### Specifications
